

J. W. McDONALD, K. C., LIBERAL LEADER, UNANIMOUSLY NOMINATED AS MACLEOD CONVENTION AS LIBERAL STANDARD BEARER FOR MACLEOD RIDING — GIVEN ENTHUSIASTIC OVATION BY SUPPORTERS FROM ALL PARTIES — IN ACCEPTANCE SPEECH ADVOCATES GRADUAL REDUCTION OF SUPPLEMENTARY REVENUE TAX

Enthusiasm was the keynote of the Liberal convention held in the town hall, Macleod, on Saturday afternoon last, when the recently appointed Liberal leader, Mayor J. W. McDonald, K. C., Macleod, was unanimously elected as the standard bearer for the Liberal party in the Macleod riding in the forthcoming provincial election. Considering the condition of the roads after the rains, there was a most gratifying representation of electors present, practically from every part of the constituency, which demonstrated the interest that is being taken in the election and particularly in the campaign of Mr. McDonald as Liberal leader.

The applause which greeted Mr. McDonald when he rose to accept the nomination clearly showed his popularity in his own home town and district, and the frequent applause which he received during his short speech was a clear evidence that the sentiments which he expressed were fully in accord with the opinions of the large gathering

of ladies and gentlemen present. W. A. Day, president of the Liberal Association, presided and called the meeting to order. He was accompanied at the platform table by Hugh Macintosh, secretary.

Opening Address
Mr. Day in his opening remarks said:

"We have two primary objects of the meeting. The main object is to nominate a candidate to contest this constituency in the election of June 19. The other object is to effect some kind of organization. I think it is about four years since there was any organization meeting here, and at that time the constituency was not as large as it is now. We usually elect two vice-presidents and an executive, and we want representatives in the new constituency which includes the district to the north which was not in the constituency before. I think perhaps we had better reverse the usual order and elect the executive first because it may be that some might want to get home and there might not be as good a representation, so I think we ought to proceed with the election of the executive, and in electing I think we ought to be careful to get it pretty well distributed. The first office, I think, is office of the nomination, clearly showed his popularity in his own home town and district, and the frequent applause which he received during his short speech was a clear evidence that the sentiments which he expressed were fully in accord with the opinions of the large gathering

of ladies and gentlemen present. W. A. Day, president of the Liberal Association, presided and called the meeting to order. He was accompanied at the platform table by Hugh Macintosh, secretary.

Dan Gillen, Macleod; Dick Walshe, E. Greenwood, George Pearson, P. Hornberger, Mrs. Grady, A. E. Skelding, Mrs. Murphy, Mrs. A. E. Skelding, Mrs. George Skelding, Alex. Macleod, Miss Rose Killoran, Curran Grier, Frank Plowman, Spring Point; E. Johnson, Macleod; Dan Boyle, Graman; E. Lano, Spring Point; R. W. Jell, Graman; Mrs. W. A. Day, Mrs. Greenwood, Tom Bratton, P. Stapleton, J. Baines, Kipp; L. Bosch, Monarch; M. H. Duhamel, Monarch; John Wright, Monarch; Ashley Grier, Macleod; Roy Baker, Jack McLellan, Ewelmer, T. Worthington, Bob Reid, Sam Heap, Dr. Farnet. Hugh Macintosh was re-elected secretary.

Leader Nominated
Curran Grier, a life-long Conservative, nominated J. W. McDonald as the candidate, and Dan Gillen seconded the nomination. Mr. McDonald spoke as follows:

"I can assure you that I feel very grateful to you for your hearty and unanimous nomination at this gathering here this afternoon and I take it, that it is an acceptance speech that is expected of me and I have only to say this, that I am greatly indebted to you for the honor of the nomination and I most heartily accept it. I will try to be a good candidate for you. I will try to put up a good fight, a dignified fight for the position of member of this constituency.

Now a few weeks ago, a number of my Calgary friends did me the honor of presenting my name for the leadership of the Liberal party in Alberta. At first I did not feel like accepting it—like Caesar who pushed the crown a little more gradually away from him each time it was offered to him. Then I thought I might just as well accept it and try the thing out if I had good men behind me. Now I took the position that a man should not seek a position of this kind. He should let the position seek him. I did not ask a single person to vote for me at the convention. I have not asked a single person here to

day. When I think of the men who nominated me—first Curran Grier, and second Mr. Gillen, I feel that there is strength behind me. I could not feel otherwise if lesser men had nominated me. I have the greatest respect for my old friend, Curran Grier, whose only fault is that he is a Conservative, and for my old friend, Mr. Gillen, who is a Liberal and has no faults at all. Now you know, as Mr. Day said, I must spend a good deal of my time outside of this constituency.

Provincial Tour
As a matter of fact I start on a provincial tour at 1 o'clock tonight. I expect to visit Pembina, Stony Plain, Edson, Wetaskiwin, Leduc, Olds, and Leduc, all in one week. Some of them want to look me over and see whether I am good for this job or not, so I am going to do myself the favor of going to see them. I have had most encouraging reports from them. As Mr. Day pointed out to you, I have a tremendous territory to cover in this vast province of ours. I shall not be able to be here very much, but I expect, of course, to be here two or three times during the campaign. I must come home once in a while, and when I am here I will visit you.

From the constituency of Calgary, Capt. Joe Shaw, leader of the opposition, and Campbell McLaurin, president of the Liberal Association, have offered to come here on practically any speaking date that is arranged for them. From Lethbridge, Mr. Greenwood, Dr. Galbraith and several others have also proffered their services.

Now I take it that what was expected of me today was an acceptance speech. There are a few suggestions that I wish to deal with and I promise to deal with them very shortly so that it will not take up too much of your time.

The speaker touched on some of the following: The general financial condition of the province, the supplementary revenue tax, and the irrigation question.

With regard to the education taxes, he plainly showed that the government had not done its duty in regard to increasing demands for educational purposes. It was not fair to our children in the primary and secondary school to withhold from them the benefits of increased grants for educational purposes where there was so much income coming in from different sources.

Teachers' Pensions
He favored a teachers' contributory pension plan. He favored taking the question out of politics and making it the subject of impartial investigation for the purpose of

keeping it entirely free from any political exigencies.

He favored the gradual decrease and final abolition of the supplementary revenue taxes—a tax that was plainly imposed upon the people of the province for the purpose incident to the Great War.

With regard to the gasoline tax and motor licenses, he said the Liberals were in a position to cut down the motor licenses and make the gasoline license have some relationship to the usage made of the licensed car and favored, if necessary, an increase in the gasoline tax so as to make the person who uses the roads the most pay the most for their upkeep. In any event the two items of revenue should be earmarked so that the whole amount could be spent on road maintenance.

Highways Commission
He also favored the appointment of a highway commission to look after the roads in the state of Montana, where the system had proven highly satisfactory.

He indicated that such matters as bridgeage, prosecution, the Donatville inquiry, irrigation, and employment. He also spoke at some

length on the co-operative credit question.

He argued the organization of a Women's Liberal Club. The ladies present decided to call a meeting later of the women electors for the purpose of forming a Women's Liberal Club.

Three rounds cheers were given for Mr. McDonald, and the meeting closed with the National Anthem.

REGULAR MEETING OF THE COUNCIL OF THE MUNICIPAL DISTRICT OF BRIGHT
On Saturday afternoon the regular monthly meeting of the council of the Municipal District of Bright, No. 69, was held in the Council Chamber. The members present were: Messrs. J. H. Evans, reeve; Joe Horner, K. Koole, Tom Bailey, Harry Bester, Hugh McLean.

A considerable amount of routine business was gone through, dealing principally with road work in the various divisions of the district.

H. W. Bright, Secretary-Treasurer reported that over 4,000 gopher tails

had been handed in by boys from all over the district. Two boys from Rathwell had over 800 to their credit.

The Council will hold another meeting on Friday to meet with N. H. Bradley, the Government Highway Engineer, of Lethbridge, to confer regarding roads in the district.

RINK CONTRACT AWARDED TO J. S. LAMBERT
Curlers, hockey players and skaters of Macleod will rejoice when they learn that the much talked of rink is now an assured fact. The contract was let by the council on Tuesday evening to one of Macleod's own contractors, J. S. Lambert, who was the lowest tenderer.

The first tenders, received a few weeks ago, were all considerably above the amount which the council had decided to spend on a rink. The first plan showed an elaborate building with all the latest modern

improvements. These plans were considerably changed, and new tenders called on plans cutting out a lot of the frills, but not altering the ice spaces, which will be the full regulation sizes for curling and hockey. The lighting and plumbing is not included in the contract, the town's own staff will do the electric lighting, and a separate tender will be called for the plumbing. The work will be commenced at once and the contract calls for the building being completed by September 15th.

CARD OF THANKS
Mrs. E. Holstead, son and daughter, wish to take this opportunity in extending their sincerest thanks to all who sent flowers, loaned cars, or in any way assisted in the occasion of their recent sad bereavement, also to thank Dr. Kennedy and nurse, Mrs. C. Murdoch for their great help and kindness.

COMING EVENTS
FORESHADOWED
A Combine School and Demonstration of the New Canadian Grains Combine will be held at Scourall's Garage, Macleod, on Tuesday, May 20th, 1930, in the afternoon. Come and see the latest in Combine and learn how you can save in your harvesting expenses.

PROVINCIAL LEGISLATURE
DISSOLVED SATURDAY

Edmonton, May 10. Marking "finis" to the eventful life of Alberta's sixth legislature and disposing of rumors that a provincial election this year might yet be avoided, an order-in-council dissolving the assembly was issued Saturday morning.

HANDSOME NEW SERVICE STATION
Couillard & Lush have just completed their handsome new Service Station located at the intersection of 24th and River Street. The new station is an adjunct to their Red and Blue Line Garage and will be known as "The National Service Station." The building is in Mission style, white stucco, and is decorated in red, white and blue, and is one of the finest looking service stations in the south country.

In connection with the service station Couillard & Lush have installed an up-to-date hydraulic hoist for elevating cars so the under parts are easily accessible for greasing or other work.

The new service station carries the usual line of gas, oils and greases with motor accessories, and is certainly an ornament to 24th Street.

C. W. Stevens had the contract.

WEEDS... the arch-enemy of Canadian Agriculture

"If my fields had been free of Wild Oats and Mustard last year," writes an Alberta farmer, "my extra crop profits would have enabled me to buy a car, two suits of clothes, re-decorate my house and add a hundred dollars to my bank account. This year I'm going to clean up at least two fields."

The attitude of this Alberta farmer is commendable. If all farmers attack weeds vigorously, their efforts will be rewarded many times over in better crops, reduced costs and increased profits. To help them do this Imperial Oil Limited is publishing an interesting book which contains all the latest facts, figures and information pertaining to the weed problem.

THURSDAY, MAY 15th, 1930

GASOLINE AND MOTOR TAXATION

In the Government estimates for the fiscal year ending March 31st, 1930, a figure of \$2,300,000 is estimated for gasoline tax, and \$2,126,000 for motor license, making a total of \$4,426,000. Against this last estimate the Government will spend out of Income Account on main highways \$960,000; on district highways \$500,000; on ferries \$75,000; and on bridges \$60,000. Then there will be left a balance of \$2,841,000. Out of this amount there will be costs of collection and necessary payments of interest and sinking fund charges but in any event there will be a large balance, and this balance should be used for highways maintenance. The Liberal Party favors an adjustment of motor licenses, and getting the necessary revenue out of gasoline tax. This means that the agriculturalist, who uses his car so little, will not have to pay so much toward the upkeep of the roads as the tourist. In other words we favor making the tourist pay for the upkeep of the roads he uses. Motor license fees should be primarily available for the purpose of keeping a check on motor car users, and the fee should bear some reasonable relation to the use which a person makes of his car. The one who uses the highways most should be called upon to contribute most to their upkeep by means of the gasoline tax. All moneys coming into the public coffers from this source should be earmarked and spent on highway maintenance.

Previous to 1921 the Government did not levy any gasoline tax, and all the money derived from motor licenses, and much more, was applied to road building. Since that time, however, in no year have the total proceeds from motor licenses and gasoline tax been applied on highways, ferries and bridges. In the fiscal year ending March 31st, 1929, the total provincial expenditures for the above purpose was \$4,827,237.73. In that same year the Government secured from gasoline tax \$1,306,627.32 and from the automobile license fees \$2,124,972.50 making a total of \$3,431,599.82. Of this total expenditure the sum of \$2,607,380.04 was secured by borrowing, thus adding to the indebtedness of the Province. Consequently the Government used out of the income account \$2,219,857.69, a sum of \$1,211,742.09 less than the amount actually received from these two sources. The result of this mentioned but also to provide a surplus on income account of \$1,200,000. Thus the Government by this system of financing secures a surplus on income account by increasing

the public debt of the province.

Again, a highways Commission should be appointed and charged with the building and maintenance of our highways. In many states including Montana, such commissions have functioned admirably and to the public satisfaction.

SUPPLEMENTARY REVENUE TAX—SHOULD IT BE ABOLISHED?

With regard to the supplementary revenue tax the Liberals favor an immediate general decrease and an early abolition of this source of Government income. The supplementary revenue tax income for the year ending March 31st, 1929, was \$1,166,099.15. According to the 1929 report of Rural Municipalities the tax was \$2.20 per rural tax payer and 80c per urban tax payer. Such a reduction would be widely and universally felt throughout the province and would be an earnest of the government's desire to lighten the burden of taxation. This tax was imposed in 1918 to give relief against expenditure incident to the Great War. In 1929, in spite of the repeated requests for its abolition, the Government refused again and again to consider either an abolition or any diminution of this tax.

Do you ever expect to get relief from these items of taxation from the Brownlee Government? Or will you trust to McDonald to lower the taxes? Has the Brownlee Government made you rich?

ROTARY CULTIVATOR BEING DEMONSTRATED DAILY—FARMERS AND IMPLEMENT DEALERS SHOULD MAKE A SPECIAL EFFORT TO SEE THIS WONDERFUL MACHINE IN OPERATION

W. J. Freeman of Calgary, who is an expert on soil-tillage machinery, has recently taken charge of the Sales Department of Bagan Rotary Plow Co., Ltd., for the Dominion of Canada.

Special arrangements are being made in various districts in the Province of Alberta for immediate demonstration. In the near future the company expects to have machines operating in other Provinces.

All demonstrations will be conducted under the direct supervision of Mr. Freeman. The company expects to secure a large number of orders for immediate production.

Anyone interested kindly communicate with BAGAN ROTARY PLOW CO. LIMITED, 122, Ninth Ave. East, Calgary, Alberta. Phone M. 9220.

Supt. Scientific Temperance: Mrs. D. Horn, Lethbridge.
Radiograms—One suggestion from each Union as to up-to-date methods of presenting temperance truths.

Election of Officers.
Adjournment.

STAND OFF WOMEN'S INSTITUTE HOLD INTERESTING MEETING

The Stand Off Women's Institute meeting last week-end was as usual largely attended and of special interest. There were 44 ladies present at the home of Mrs. Albert Hatton, Hazelmore.

In the absence of the president, Mrs. A. E. Skelding, at the opening of the meeting, Mrs. Jack McNeil presided.
The principal part of the meeting

was taken up by a demonstration on Interior Decorating. Five members of the Macleod W. I. took charge of the demonstration, and the work they did on a number of articles and the illustrations shown in a most interesting manner were very much enjoyed and appreciated. One special feature was given by Mrs. Goodner, who, in a most instructive way, gave a concise and complete explanation on the various methods of mixing colors for painting. The Macleod members present were: Mrs. O. F. Fanset, president; Mrs. Goodner, Mrs. Greenwood, Mrs. Gardiner and Mrs. Perry. These ladies were heartily thanked for going out and giving their fellow

country members such a splendid and interesting demonstration.

It was announced that the members of the Stand Off W. I. were uniting with the Macleod W. I. in decorating and fixing up the Rest Room in Macleod.

It was also intimated that \$5.00 had been contributed by the W. I. to the "Mrs. McKinney Picture Fund." An invitation was given by Mrs. Gardiner to the Stand Off ladies to attend the W. C. T. U. convention to be held in Macleod on Monday and Tuesday, May 19th and 20th.

A novel contest was held at the meeting, which created quite an interest—viz.: guessing the names

of a list of flowers, the prize to go to the one who completed her list first. Mrs. Rowe was the successful winner.

The hostess, Mrs. Hatton, assisted by Mrs. Alcock, Mrs. W. Hatton, Mrs. C. Hall and Mrs. Van Weiden, served refreshments at the close of the meeting.

ROYAL STANDARD CALF MEAL, THE IMPROVED MILK SUBSTITUTE.

The Improved Fordson Agricultural
Tractor develops more power
AND STARTS EASILY

A 30 Brake Horse-Power engine makes sure of ample power for the field work, for the belt, for every farm job that requires pulling, pushing or stationary power.

A high-tension magneto with enclosed starter coupling insures easy starting. It makes no difference how snappy the morning, the starting system on the new Fordson will operate easily.

Come in and see the Fordson Agricultural Tractor. We want to show you its new features. There are 16 altogether. We want to show you how easy it starts and how the motor sounds. We want to give you a booklet that describes in detail this farm tractor. Ask for a demonstration.

GRANUM LOCAL NEWS

Mrs. Frank is a Calgary visitor this week.

W. C. Sherman was a Lethbridge visitor Tuesday.

Jerry Shapter was a Granum visitor Monday.

S. Aisenstat was a Calgary business visitor Wednesday.

Mr. and Mrs. A. Marsh were Macleod visitors last Saturday.

Mrs. Albert Hamilton was a visitor in Macleod on Saturday.

Sports Day will be held in Granum May 24th—base ball tournament and other sports.

Mrs. H. Dimm and Mrs. C. Reynolds were Clareholm visitors on Saturday last.

Ross York, who had been playing hockey in Seattle during the past winter, returned to Granum Tuesday.

Mrs. J. Innes has as her guest this week her mother and sister, Mrs. Hahn and Miss Mary Hahn of Macleod.

Mr. and Mrs. S. C. Simonson and family were the guests of Mr. and Mrs. E. Frisvold, at Pincher Creek, last Sunday.

Mr. and Mrs. J. H. Marsh left by auto for Rochester, Minn., on Tuesday, where Mrs. Marsh will receive medical attention.

Monday and Tuesday next week "The Cohen's and Kelly's in Atlantic City." Also 2-reel comedy. Prices 25c and 50c—tax included.

Gordon Blair has accepted a position with the Imperial Oil Company in Calgary. He left Saturday for Calgary to commence work Monday.

F. Harman and his sister, Miss Edna, of Turner Valley accompanied by Miss Minnie Goosen, were Pincher Creek visitors on Saturday.

Granum Streets are being regraded, and a drainage system installed which will ensure easier keeping of Streets in good condition.

Messrs. Empey, Pat McKenzie, Peckles and Carwell motored to Macleod Wednesday afternoon to play a round on the Macleod Golf links.

Mrs. J. Daley was a Calgary visitor Friday and Saturday to be with her granddaughter Alvina, who is a patient in the Calgary General Hospital.

At Starland Theatre Friday and Saturday this week—Reginald Denny in "The Night Bird." Also 2-reel Andy Gump Comedy. Regular prices.

Mr. and Mrs. Geo. Fletcher, accompanied by Mrs. J. Peterson, motored to Calgary Tuesday, where Mrs. Fletcher will receive attention of a medical specialist.

Mrs. A. MacGregor left Granum on Tuesday last, May 13th to attend the Alberta Conference Convention of the Women's Missionary Society of the United Church meeting at Edmonton.

The Standard Garage has just completed an interior decorating job on their place of business—new paint now makes this up-to-date garage look spick and span—same old efficient service.

Miss Esther Johnson, of Calgary, was the guest of her mother, Mrs. E. Johnson, last week. Mrs. Johnson returned to Calgary with Miss Esther spending the week-end as her daughter's guest.

Among the Granum Young people who played at the recital given Monday and Tuesday evenings at Clareholm were Kathleen MacGregor, Hazel and Freda Sherman, Vera Clarke, Lillian Wells, and Dorcas Rowe.

Mr. J. C. Brown was released from the Clareholm Hospital on Sunday afternoon, with the poisoning in his hand under control. It is hoped that his very painful experience which began with a sliver in the finger, will leave him none the worse.

There will be a Social Evening at the Church for the Young Peoples' Society next Monday, May 19th. A full evening of enjoyment is promised beginning with a Softball game at 6:30 o'clock, and followed by refreshments and fun at the Hall of the United Church. Captains for the Ball Game are Reinhold Ensminger and Fred Clarke, and all members are expected to show their prowess at the popular pastime. The public is cordially invited to see the game of the season.

At the Daley Creek Ball Park last week there was an exciting game between the Daley Creek and Granum Y. P. S. teams. Daley Creek were strengthened by the addition of Buster McKenzie to their lineup, and his feigned left arm subdued the Granum boys pretty effectively. The night was cold and raw and the sphere could not be handled with any certainty so that errors were very common. Aside from errors the game would have been much closer, for Arit was not hit so hard as the score would suggest, the score being something like

12-3, though the scorer's pencil was needing attention which prevented accuracy. Everyone except the umpire had an enjoyable evening and, at last accounts that official was resting quietly, and planning a campaign of non-violence.

Granum C. G. I. T. were delightfully entertained at Clareholm last Thursday by the Clareholm Groups under the leadership of Miss MacDonald and Miss Blair. The reception took place in Harrison Hall, the gymnasium of the United Church, and a ball game was then enjoyed at the Ball Park where the Granum girls were victorious by a close score of 13-10. Refreshments were served daintily in the hall, and everyone went away with great appreciation of the hospitality of the Clareholm girls and their leaders. Granum girls declare that the Clareholm girls are splendid in sportsmanship. Kenneth Blair of Granum was the umpire of the ball game.

The Lethbridge Shrine Club were guests of the Granum members of the Order on Wednesday evening of last week. There were also present Shriners from Calgary, High River and Macleod. The local Shriners put on a banquet at Reynolds Hall for the visitors, at which the "piece de resistance" was a roasted lamb which R. E. Patterson had presented to D. M. Leyden, and which Mr. Leyden in turn presented to the banquet committee. This is the first occasion the Lethbridge Shrine Club has made a fraternal visit to Granum, and the evening's program was greatly enjoyed by all those present. R. Brown, Potentate of Calgary, was present and addressed the gathering, as did E. C. MacKenzie of Lethbridge and W. Davidson.

At the monthly meeting of the W. C. T. U. held on Thursday, May 8th, at the home of Mrs. H. E. Malone, it was decided to give a Pie Social and Tea on Saturday the 30th. (The place to be advertised later). Mrs. Blair and Mrs. Dimm were appointed delegates to go to Calgary. Papers were read on two subjects, viz—"Mothers' Day" and "The Kellogg Peace Pact" by Mrs. Dimm, Mrs. Henker and Mrs. McGregor. The meeting closed with a reading of some appropriate verses on "Mother," followed by the "Lords Prayer." Tea was served, the next meeting will be held at the home of Mrs. W. Blair. Mrs. Dimm has for sale some envelopes with the following inscription in the corner, "Build Friendships—Not War Ships—For National Defence."

Granum Rovers Trail Rangers were taken over the jumps by Clareholm last week, when a game of baseball took place at the latter town. Granum were reinforced by agreement with Ralph Poelman and Lemoine Pruet, but Ralph had pitched for the School team the evening before and with the cold weather was not able to locate the plate very well. When he was able to control the ball the Clareholm sluggers did not look more than ordinary. Granum lineup as follows: Art 1b, B. Rompain 2b, Pruet ss, Field 3b, Deman lf, Anderson and Leyden cf, H. Rompain rf. Clareholm took the field as follows: Jack 1b, Amundsen 2b, Mogensen ss, McKay 3b, O'Neil lf, Anderson cf, Evans rf, Hutchison c, Wallis p. The game was clean and fine in sportsmanship.

MACHINERY NOTES
Do-Ra-Me.
Believe it or not—Get under a John Deere umbrella and smile.

Fair and Warmer—Some are complaining it is too cold—with two elections coming on we are due to see some hot times yet.

There was a young man from Granum, Who had trouble to get his grain in, He bought a John Deere, And now he can smile, And he came back for another.

Andy—"I understand your hens have stopped laying."
Amos—"Two of them have anyway."
Andy—"What is the matter?"
Amos—"Don't you know nothing? I run over 'em with my new Case Tractor."
When better machines are made John Deere will make them and G. R. will sell them—Believe it or not.

GRANUM LOCAL NEWS

With recent reductions in fuel it makes power farming even more profitable. I must say that I am well pleased with power farming in general and with the John Deere in particular.

Signed—R. W. Goff.

ANNUAL I. O. O. F. SERVICE IS HELD AT GRANUM

On Sunday, May 4th, the Odd-fellows and Rebekahs visited the Presbyterian church for their annual service. The delegation from Macleod and Clareholm outnumbered the local lodge, and the church was comfortably filled. The pastor of the church chose as the title of his subject "Three Golden Links," and after welcoming the visiting lodges reminded them that the benevolent activities which their motto signifies were called into being by human needs of friendship and love.

In like manner our heavenly Father had provided three golden links with which to draw all men into Himself. The first, "God so loved the world that He gave His only begotten Son;" the second, "God was in Christ reconciling the world unto Himself;" the third, "He that believeth in the Son hath everlasting life." In His wonderful way God has not only revealed Himself unto man, but has provided for the only possible universal brotherhood in the joining men together by inviting them to one Father by one living link, the Son of Man and the Son of God.

The music by the choir was a valuable aid to worship, the anthem being much enjoyed; also a solo by Mrs. Oubridge.

BOMBAY SEETHES WITH REVOLUTION—SHOLAPUR SCENE OF BAD OUTBREAK; 27 KILLED IN FIGHTING

Bombay, India, May 8.—(A.P.)—Bloody rioting on the streets of Sholapur, within 150 miles of where Mahatma Gandhi was jailed, today counted 27 lives and more than 100 wounded as its toll. All the presidency of Bombay seethed with insubordinate activity. It was reported that Gandhi, imprisoned leader of India's Nationalists, had been spirited from Yeroda jail at Poona to the famed fortress of Shivajis at Panhandar, 25 miles away.

Rioters rule in Sholapur, textile settlement of 120,000 inhabitants, as a detachment of the Duke of Wellington's Regiment was dispatched to the beleaguered community. Armed defensive forces—soldiers, police and citizen reserves—carried on as best they could, hemmed in by the insurgent mob, crying for the release of Gandhi from prison.

Rioting started last night when striking mill-workers broke into liquor shops. Military forces stood by after disorders subsided, but at dawn the disturbances were resumed. A mob, chopping down trees from which liquor is extracted, refused to disperse and police opened fire on the milling throng.

RATHWELL NEWS

Sunday next, May 18th, service in the Rathwell School house at 11 a.m. Preacher Mr. F. Crowson.

GRANUM LOCAL NEWS

MACHINERY NOTES
Do-Ra-Me.
Believe it or not—Get under a John Deere umbrella and smile.

Fair and Warmer—Some are complaining it is too cold—with two elections coming on we are due to see some hot times yet.

There was a young man from Granum, Who had trouble to get his grain in, He bought a John Deere, And now he can smile, And he came back for another.

Andy—"I understand your hens have stopped laying."
Amos—"Two of them have anyway."
Andy—"What is the matter?"
Amos—"Don't you know nothing? I run over 'em with my new Case Tractor."
When better machines are made John Deere will make them and G. R. will sell them—Believe it or not.

As many are interested in power farming and the cost, I submit the following:
I purchased a John Deere Tractor in the spring 1928 during which year I did all my farm work, breaking a quarter section and working it down, costing 76 cents an acre for oil, fuel, shares and blacksmith work.

In 1929 I sowed 740 acres, disced 955 acres, broke 30 acres, plowed 815 acres, cut with ted foot binder 650 acres, traveled to and from the east farm 100 miles, all at the cost for fuel and oil of \$759.20. This would have been much less had I large enough machinery to work the tractor to capacity at all times.

CLEAN UP WEEK
May 19th to 24th is clean-up week in Granum. By order of the Granum Board of Health all lanes, back yards and alleys must be cleaned up to comply with the Health Act, otherwise the Medical Board will clean up premises and charge cost against same.

—Granum Board of Health.

On and after May 15th, The Granum Herd By-law will be strictly enforced.

—By order Granum Council.

Rompain rf. Clareholm took the field as follows: Jack 1b, Amundsen 2b, Mogensen ss, McKay 3b, O'Neil lf, Anderson cf, Evans rf, Hutchison c, Wallis p. The game was clean and fine in sportsmanship.

MACHINERY NOTES
Do-Ra-Me.
Believe it or not—Get under a John Deere umbrella and smile.

Fair and Warmer—Some are complaining it is too cold—with two elections coming on we are due to see some hot times yet.

There was a young man from Granum, Who had trouble to get his grain in, He bought a John Deere, And now he can smile, And he came back for another.

Andy—"I understand your hens have stopped laying."
Amos—"Two of them have anyway."
Andy—"What is the matter?"
Amos—"Don't you know nothing? I run over 'em with my new Case Tractor."
When better machines are made John Deere will make them and G. R. will sell them—Believe it or not.

As many are interested in power farming and the cost, I submit the following:
I purchased a John Deere Tractor in the spring 1928 during which year I did all my farm work, breaking a quarter section and working it down, costing 76 cents an acre for oil, fuel, shares and blacksmith work.

In 1929 I sowed 740 acres, disced 955 acres, broke 30 acres, plowed 815 acres, cut with ted foot binder 650 acres, traveled to and from the east farm 100 miles, all at the cost for fuel and oil of \$759.20. This would have been much less had I large enough machinery to work the tractor to capacity at all times.

CLEAN UP WEEK
May 19th to 24th is clean-up week in Granum. By order of the Granum Board of Health all lanes, back yards and alleys must be cleaned up to comply with the Health Act, otherwise the Medical Board will clean up premises and charge cost against same.

—Granum Board of Health.

On and after May 15th, The Granum Herd By-law will be strictly enforced.

—By order Granum Council.

Fresh, Healthful Water for Your Stock

You can't beat fresh, clean water as a disease preventive—as a means of promoting healthy stock growth.

You can have fresh water daily with a John Deere Direct Drive Pumping Outfit.

Simple, compact, has no belts, chains or exposed gears—can be used right among the stock.

The operating parts of engine and pump jack are enclosed and automatically oiled. Start it and let it run until the fuel is gone—requires no attention.

Here's a real pumping outfit. Come in and see it.

are at their best in quality and their lowest in price just now, which suggests that any preserving you contemplate ought to be done.

Strawberries

Strawberries will be coming along more regularly from now on. This week-end they will be from the South, and next week we hope to have regular shipments of Hood River berries.

Local Lettuce, Green Onions, Radishes, etc are available now, and it is fine to be able to keep the money for these at home instead of having to send it down to Uncle Sam, who is so ready to sell to us, and so loathe to buy from us.

THE WHITE HALL

Macleod Local and Personal News

Miss Gwendolyn Martin, of the school staff, spent the week-end in Calgary.

R. L. Hackett, Lethbridge gunner, was a business visitor in Macleod on Tuesday.

A. C. L. Whitham, special insurance inspector, Calgary, was a business visitor in Macleod on Monday.

J. E. Gilmer, K. C., Blairmore, attended the sittings of the Supreme Court in Macleod on Monday afternoon.

Major R. F. Barnes, barrister of Coleman, was in Macleod on Monday attending the sittings of the Supreme Court.

J. Edgar, C. P. R. Macleod, accompanied by his son and daughter, will be sailing May 17th on the S. S. Media for the Old Country.

Mr. and Mrs. E. M. Carson and daughter, Miss A. Carson, Lethbridge were Macleod visitors Tuesday en route to Edmonton.

Gordon Beaton and Alex Laing, of the Bank of Commerce staff, spent last week-end with Mr. Beaton's parents at their farm at Nanton.

Mrs. Harry Winter, of Macleod, accompanied by her two boys, Gordon and Walter, were visitors in Calgary over the week-end. On Saturday evening they were present at the recital and entertainment in the Grand Theatre, put on by the pupils

of the McDonald dancing academy. Two of Mrs. Winter's nieces, were among the performers.

Attorney-General Lyndhurst will be present when the U. F. A. hold their nominating convention in the town hall, Macleod, on May 19, at 2 p.m.

His Honor Mr. Justice W. C. Ives, of Calgary, was registered at the Queen's Hotel during the sittings of the Supreme Court in Macleod this week.

Mrs. George S. McDonald, formerly of Macleod, arrived in Macleod last week and is visiting friends for a few days, renewing old acquaintances.

School Inspector J. Morgan, of Lethbridge, was in Macleod on Tuesday on his way to the Stand Off (Hutterite) school, of which he is official trustee.

A. J. MacGowan, farmer of McBride Lake, has been appointed Returning Officer for the Macleod Provincial Constituency in the forthcoming election.

John W. M. Rothney, a Macleod boy who received all his school education in Macleod, will graduate on Wednesday at the University of Alberta, with B. A. Degree.

H. McMillan, Presbyterian student missionary, who is taking charge of the Stand Off Mission, will arrive in Macleod, Saturday, and will conduct services in the Field on Sunday, May 18th.

Mrs. Rev. Knight and Mrs. J. T. Doney are delegates this week to the branch meeting of the Alberta Women's Missionary Society of the United Church. They report a large and representative gathering.

Miss Edith Ferguson, of 20th Street Macleod, had a serious and painful burning accident last Saturday, when using gasoline for cleaning purposes, the gasoline exploding and severely scorching her face and arms.

John Smith, of Mud Lake, who has been visiting at the coast since last fall, returned to Macleod on Friday night. Mr. Smith seems very much improved in health, since undergoing an operation at Rochester about a year ago.

J. Holmes, of Beaver Mines, the Returning Officer for the Macleod Federal Riding, was in Macleod last Friday completing his list of enumerators for the different polling sub-divisions of the constituency.

Cordell Swinerton, accompanied by Mrs. J. Swinerton, Mrs. W. J. Gollacher and daughters, Misses Margaret and Katherine, motored to Calgary Saturday, where the party will spend a week visiting Mr. and Mrs. D. A. Hansen.

W. J. Smullen, of Calgary, manager for Alberta of the Canadian Fire and Canadian Indemnity Insurance Companies, was a business visitor in Macleod on Tuesday and was accompanied by M. L. Bowen, inspector for the companies.

On Monday night The Oratory Contest for Southern Alberta will be held in the United Church Hall. There will be competitors for the Silver Medal—three from Lethbridge and three from Macleod. Come and cheer your young folks.

F. B. Curry, general manager of the Great West Sundry Company, of Winnipeg, accompanied by J. G. Hutchings, Alberta manager of the company, Calgary, were business visitors in Macleod Monday, being on a tour of inspection of branches.

Liberal meetings are being held this week at several points on the northeast side of the constituency. J. W. McDonald, K. C., Liberal leader, will spend the week in the north part of the province. W. H. Shield is busy in south end of the constituency.

Beverly McLean, farmer north of Macleod, had a serious accident last week when using his tractor in the field. In some way his foot got caught between the wheel and the fender, with the result that the foot at the instep was ground to the bone, the bone being severely crushed. The hired man working in the field rushed the injured man home and he was brought into the hospital

THERE is no accidental reason why our loaf has made good in countless homes. It is especially designed to please and satisfy. You can always feel certain of its uniform wholesomeness.

BAWDEN'S BAKERY
PHONE 132

and received medical attention. It will take at least three months before Mr. McLean will be able to use the foot again.

among the various clubs and enthusiasm among the baseball fans.

H. L. J. Watchorn received the sad intelligence on May 9th, that his mother, Mrs. R. W. Watchorn, had died suddenly at Merrickville, Ontario. Mr. Watchorn received further word by wire that his uncle, T. H. Watchorn had died at the same place on Monday, May 12th.

Vol. 1, No. 43

Macleod Thursday, May 15, 1930

A NEW CREATION, TOO

"What's the matter with your wife? She's all broken up lately."
"She got a terrible jar."
"What happened?"
"Why, she was assisting at a rummage sale, took off her new hat and somebody sold it for thirty-five cents."

We have the best red weeder on the market and that's no idle talk. Come in and look over the McCormick-Deering Ball-Bearing Cream Separators and make us prove it.

Marco: My girl is like the horizon.
Polo: Howzat?
Marco: Never comes nearer.

We are told that quite a lot of first grade butter is being marketed these days. Nothing surprising about that because the use of McCormick-Deering Ball-Bearing Cream Separators is increasing in this territory.

An ounce of cheerfulness is worth a pound of gloom.
"McCormick-Deering" is the famous name of a famous line of Harvester-Threshers.

Every victory gained makes new conquests easier.

The gangs on the McCormick-Deering No. 4 Tractor Disk Harrow are angled or straightened by the draft of the tractor. When the draft latch is released the gangs angle instantly. To straighten the gangs, you merely back up the tractor.

The energy set free by the explosion of all the atoms in an ounce of radium would equal that produced by burning about ten tons of coal.

The new, heat-treated, crimped-center disks used on all our McCormick-Deering Tractor Disk Harrows are from 50 to 100 per cent stronger than ordinary disks.
"Papa, what do you call a man who drives a car?"
"It depends on how close he comes to me."

With a McCormick-Deering Harvester-Thresher you can successfully harvest and thresh wheat, oats, barley, rye, flax, and similar crops, and save as much as 20 cents a bushel over other harvesting methods.
